

# California East Los Angeles AHEC

# AltaMed

Housed at AltaMed Health Services, a full service FQHC with 4,000+ employees and 43 locations in Southern California.

The East LA Area Health Education Center (AHEC) provides a pipeline for students interested in health careers with clinical placement and internship opportunities.

East LA AHEC provides hands-on experience. Enhancing scholar's skillsets, preparing them to join the healthcare workforce and serve the underserved communities.

**We invite you to join our team today!**
